

# New York Society of Interventional Pain Physicians

## **NYSIPP MEETING MINUTES**

1/6/25

In Attendance: Drs. Tiso, Rubin, Nia, Wang, Schnur, Chapman, Kalia, Mehta

1. Worker's Comp Discussed
  - a. The fee schedule has not changed in 10 years, which is a critical point
  - b. Concerns regarding the denial rates at levels one and two, which need to be addressed with data
  - c. Gather examples of denied payments to address the issues with the billing
  - d. Request data from Workers comp to verify denial rate
  
2. Doc Matter Monetization
  - a. Important to begin engagement with trainees
  - b. Potentially discussing with a point person to help lead an effort to boost utilization of residents and fellows (Dr. Mehta)
  
3. Integrated Vs Non- Integrated systems for PNS
  - a. The AMA CPT meeting is upcoming, which may provide some clarity
  - b. After AMA meeting, will set up follow-up meeting with NGS to continue dialogue
  
4. Potential Contact for Regenerative medicine procedures
  - a. Apex Biologics to do a site visit and discuss possible future collaboration
  
5. Continue posting and creating more engagement in DocMatters until
  - a. Next meeting 3/3/2025 @7pm
